

# TECHNICAL INSPECTION

Car No. 185

Your Team Name Goes Here

**TECH INSPECTION CLOSES IN 19 MINUTES 38 SECONDS**

**This is the technical inspection phase of the competition. You will go through the four stations Mechanical, Electrical, Car Safety and Driver in which you will be asked questions pertaining to the regulations. Once you answer all the questions you will see your overall score and the breakdown per station. If you do not get a perfect score you will be given one more opportunity to repeat the questions that had the incorrect answers. To pass technical inspection you must obtain a perfect score. If not you will be given provisional approval to compete today and your car will start the race from the pit lane with a time delay based on the number of incorrect answers (10 seconds per incorrect answer).**
